A DBE Company

A Century of ISSA Begins

1923

Alfred Richter founds what will eventually be known as ISSA under its original name of **National Sanitary Supply Association (NSSA)** and hosts the inaugural association meeting in July in St. Louis.

1967

NSSA Becomes ISSA

In a nod to its continued expansion, NSSA **changes its name to the International Sanitary Supply Association (ISSA)**.

ISSA Vision

ISSA will be the leading resource for information, education, networking, and commercial opportunities as well as the leading voice in government and the community for firms within the cleaning industry worldwide.

ISSA Mission

- Facilitate ongoing networking, communications, and commercial opportunities for the members.
- Provide members with the highest quality, industry-specific, relevant information.
- Be the most widely accepted resource for knowledge and standards regarding professional business practices and making the scientific connection between cleaning and health.
- Have the greatest impact on establishing a global cleaning community.
