

WEEKLY LEGISLATIVE REPORT

Arizona Transit Association

March 30, 2007

Blue Ribbon Transportation Committee

HB 2682, passed out of the Senate Committee on Transportation this week with an amendment that changed the fundamental purpose of the committee.

Specifically, instead of the committee making recommendations on transportation issues in general, the committee is now required to review existing funding sources for transportation and the allocation of those resources and to review the composition and powers and duties of the State Transportation Board. The amendment also elects the Senate and House Transportation Committee Chairmen the co-chairpersons of the blue ribbon committee and requires the committee to be called to order by both co-chairmen.

In addition, a strike everything amendment had been posted for **SB 1640** in the House Committee on Natural Resources and Public Safety, but was not adopted. Included in the strike everything amendment was the establishment of the blue ribbon transportation committee as it originally passed out of the House of Representatives.

A technical amendment was adopted to SB 1640. The technical amendment will allow Senator Verschoor, the sponsor of the bill, to not concur with the change when the bill

returns to the Senate. This procedural move could allow further amendments to be made to the bill during conference committees, including the addition of the blue ribbon transportation committee.

Week in Review

HB 2228, relating to the highway expansion fund, was held in the Senate Committee on Appropriations.

The **executive nomination** of Barbara Ann Lundstrom as a member of the State Transportation Board passed out of the Senate Committee on Transportation with a 5-0 vote.

HB 2153, relating to ADOT hearings, passed out of the Senate Committee on Transportation with a 3-0 vote. A strike everything amendment relating to "regional area road fund reimbursement" was adopted.

HB 2682, relating to the blue ribbon transportation committee, passed out of the Senate Committee on Transportation with a 2-1 vote.

A Preview for the Week Ahead

The deadline to hear bills in committees has passed. The House Committee on Transportation and the Senate Committee on Transportation will not be meeting next week.

BILL	TITLE	SPONSORS	SUMMARY	HOUSE COMMITTEES	SENATE COMMITTEES	ACTION
HB 2570	railroad right-of-way acquisition	Biggs	As introduced, on the approval of the State Transportation Board, the Arizona Department of Transportation shall use the monies from a designated fund to acquire a railroad right-of-way to accommodate future freight or passenger rail service. \$650,000 is available for the purchase of such right-of-way. STRIKE EVERYTHING AMENDMNET: Requires evidence of legally authorized presence in the United States in order to obtain a vehicle title or registration.	Transportation, Appropriations, Rules	Transportation, Appropriations, Rules	passed, Senate Transportation, 3/27
HB 2682	blue ribbon transportation committee	Biggs	As passed by the House, establishes a legislative committee to review reports on transportation and make recommendations on which legislative issues relating to transportation should be addressed in the next legislative session. AMENDMENT: Removes the requirement that the committee makes recommendations on transportation issues and, instead, requires the committee to review existing funding sources for transportation and the allocation of those resources and to review the composition and powers and duties of the State Transportation Board. Makes the co-chairpersons of the blue ribbon committee the chairman of each of the Transportation Committees and states the blue ribbon committee may only meet at the call of the co-chairpersons.	Transportation, Rules	Transportation, Rules	passed, Senate Transportation, 3/27
SB 1161	HOV lanes; motorcycles; buses	Tibshraeny	As introduced, clarifies existing state law to allow unoccupied public transportation buses and motorcycles to use the HOV at all times. Consistent with federal law that governs the construction and use of federally funded HOV lanes.	Transportation, Rules	Transportation, Rules	passed, House Rules, 3/27
SB 1585	HOV lane conversion; toll lane	Gould (2)	As introduced, requires the Department of Transportation, by November 15, 2012, to issue a request for proposals for the conversion of HOV lanes		Transportation, Rules	passed, Senate Transportation, 2/13

BILL	TITLE	SPONSORS	SUMMARY	HOUSE COMMITTEES	SENATE COMMITTEES	ACTION
			on Interstate 17 between Loop 101 and Interstate 10 into a high occupancy toll lane. Allows ADOT to issue an RFP for the conversion of the HOV lanes on any other highway in this state into a high occupancy toll lane by November 15, 2012.			
SB 1591	performance audits; light rail	Gould (1)	As introduced, states that if the light rail system is not completed on or before January 1, 2009, a separate performance audit shall be conducted twelve months after the minimum operating system is open. Requires the Auditor General to contract with a nationally recognized independent auditor with expertise in evaluating multimodal transportation systems and in regional transportation planning to conduct the performance audit. Requires the costs of the audit to be paid from revenues of the county transportation excise tax.	Transportation, Rules	Transportation, Rules	passed, House Transportation, 3/15
SB 1610	highway expansion; extension loan program	Tibshraeny	As introduced, makes transit capital projects eligible for the Highway Expansion and Extension Program. Also makes transit capital purposes under the Federal SIB Act eligible for the Program. Transit capital purposes is defined to mean eligible land, buildings or rolling stock or a combination of eligible land, buildings and rolling stock that is part of the federal Transit Administration's Rural Public Transportation Program for municipalities with populations of less than 50,000 persons.		Transportation, Rules	committee assignment, 2/1
SB 1635	FAST lanes	Gorman (1)	As introduced, requires the Department of Transportation, notwithstanding any other law, to issue a request for proposal by July 1, 2008, to private entities for the purpose of entering into a contract with a private entity for the conversion of an existing HOV lane to a freeway acceleration and sensible transportation (FAST) lane, for the purpose		Transportation, Rules	passed, Senate Transportation, 2/13

BILL	TITLE	SPONSORS	SUMMARY	HOUSE COMMITTEES	SENATE COMMITTEES	ACTION
			<p>of constructing new FAST lanes and for the purpose of entering into contracts for the operation of the FAST lanes by private entities. Allows the Department to convert, construct or operate or both convert and operate or construct and operate the FAST lane if no proposal by a private entity is acceptable. States a FAST lane is a lane for use by drivers of vehicles carrying fewer than two persons in a HOV lane who pay a specified fee. A person may operate a motorcycle in a FAST lane without paying a specified fee unless prohibited by official traffic control devices. The Department is prohibited from entering into a contract for the conversion of a HOV lane to a FAST lane if the conversion will result in the loss or refund of federal funds for construction, reconstruction, repairs, improvement, planning, supervision and maintenance of the state highway system and other public highways. Requires the Department to structure a variable fee to ensure unrestricted access to the lanes at all times by eligible vehicles, including buses, vehicles carrying more than one person, environmental protection agency certified low-emitting vehicles with a gross vehicle weight rating over ten thousand pounds and alternative fuel vehicles that have been issued alternative fuel vehicle special plates or alternative fuel vehicle stickers.</p>			
SB 1640	foreign motor carriers	Verschoor (1)	<p>As passed out of the Senate, conforms regulations and restrictions on foreign motor carriers and foreign private motor carriers to Federal rules and regulations.</p>	Transportation, Natural Resources and Public Safety, Rules	Transportation, Rules	passed, House Natural Resources and Public Safety, 3/28
